|------------------------------|--|
| <i>Short title / acronym</i> | – To be used for creating a project in the booking system and a project folder on the file server; the shorter the better (e.g. Motor Control in Action = MCIA, Integrating Memories = IntMem) |
| <i>Researcher(s)</i> | – List the researchers that are responsible for carrying out the study; also include the primary researcher |
| <i>MR operator</i> | – Indicate which researchers, if any, will act as MR operator; also check this box if the researcher still to be certified |
| <i>BHV/ERO</i> | – Indicate whether a researcher is certified as emergency response operator (“bedrijfshulpverlener”) |
| <i>Partner quotum</i> | – Indicate whether or not the study uses the hours pre-allocated to the Spinoza partner institutes |
| <i>Cost center</i> | – Provide the cost center that is used for (internal) administration of the budget of the project or your research group |
| <i>Grant number</i> | – If the study is part of a grant, please provide the grant number / ID |
| <i>Budget holder</i> | – The person that is responsible for / manages the budget (see also cost center) |
